Dear Friends:

We're looking forward with special pleasure to welcoming you to this year's "Choice of Champions" Sale of Shorthorns and Polled Shorthorns on Monday, May 29. We of Acadia, and our friends and fellow consignors, Boll Weevil, Penn State, Timberlee and Windholme, have pledged ourselves to divide our best cattle with you. From our Sale Catalog, which appeared in the April 15 Shorthorn World, you'll find that we're not merely filling that commitment, but that 1967 is truly our vintage year for both bulls and females.

Come as far ahead of the Sale as you can, but no later than Sunday afternoon, May 28. Inspect the Sale cattle, the stock bulls and the breeding herd at the Shorthorn Farm, and then join us for refreshments and buffet supper at the Home Farm at 6:00 p.m.

The enclosed map will show you how easy it is to reach Acadia. Please use the accompanying reply card to let us know what motel reservations you need and when you'll arrive if you want us to meet you. If you haven't seen the Catalog, let us know so we can send you one.

We hope to hear from you soon.

Sincerely yours,

Mr. and Mrs. Wayne C. Neely
